LETTERS TO SANTA CLAUS

Dear Santa Claus:

I am a little girl eleven years old. I go to school and am in the fifth grade. I thought I would write you as Christmas is near. I want a toilet set or manicure set, and a little machine and a pair of kid gloves for Sunday. I want some fire woks, fruits, and candies and nuts.

Please don't forget mama and papa, and my school and Sunday school teacher. I will close till next "Christmas." Good Bye.
Yours Truly,
Thelma Browder.

Dear Santa Claus:

I am a little boy nine years old. I am in the first grade at Sunday school and every day school. As Christmas time is near I will write you to tell you what I want. I want a tricycle, rubbers, leggings, candies, drum, monkey, fruits and fire woks for little people. Please don't forget my Mama and Papa sister and brother, also my teacher. I will close for this time. Good bye Santa.
BAILEY BROWDER.

"Best on Earth"

This is the verdict of R. J. Howell, Tracy, O., who bought Foley's Honey and Tar Compound for his wife. "Her case was the worst I have ever seen, and looked like a sure case of consumption. Her lungs were sore and she coughed almost incessantly and her voice was hoarse and weak. Foley's Honey and Tar Compound brought relief at once and less than three bottles effected a complete cure." Without operas or harmful drugs of any kind, Foley's Honey and Tar Compound stops coughs and cures colds. Do not accept any substitute. Sold by St. Bernard Mining Co. Incorporated, Drug Department.

Baraca Club Meeting

A business meeting of the Baraca Club was held at the Bee office Monday night, and owing to the fact that this is Christmas month and collection of dues rather slow, it was decided to postpone the permanent organization until railroad pay day in next month. At present there is a promised membership of 40 and it is hoped to make this number 100 by the time of the permanent organization. This is a splendid movement, and should receive the support of every one in town.

Dues are only one dollar per month and include baths, gymnastics and reading room, also a splendid place will be furnished for the railroad men to wait for the caller.

You Need Stationery.

Nothing gives an individual or a firm standing in the business world like stationery neatly printed. The Semi-Weekly Bee job department keeps constantly on hand a fine line of letterheads, noteheads, billheads, statements and envelopes, both linen and commercial. We also do circular, invitation and catalogue work. Give us a trial. You will be pleased.

A Charming Woman

is one who is lovely in face, form, mind and temper. But it is hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney troubles show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood, give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50c at all druggists.

Running Ahead of A Passenger Train

Wednesday afternoon a most unusual affair occurred between the cities of Madisonville and Earlinton.

The south bound train, due in Madisonville at 4:00, was reported late on account of the northern connections, so feeling the spirit of Xmas in their bones, a "triple header" was formed to run just ahead of 51. This was formed by Mrs. L. V. Renfro, Mrs. Marvin Lanier and Mrs. John Brinkley, who walked into this city from Madisonville late Wednesday evening, through a steady down pour of rain.

The ladies claim they enjoyed the novel experience greatly.

School Notes

Parents meeting on Friday, Dec. 15, was well attended considering the very inclement day. After the visitors had examined the display work in the different grades, they were invited to the High School room where some splendid talks were made by Supt. Dudley, Trustee Paul M. Moore, Dr. Stanley and Brother Dame. Bro. Brandon offered prayer. Many pleasing expressions were spoken concerning the quality of work on exhibition. These meetings are very helpful to both teachers and parents. After a term of most successful work, the Earlinton Graded & High School will re-open on Tuesday Jan. 2, 1912. This will be an excellent time for those who have not yet enrolled to do so.

STEEL SLEEPER NO PROTECTION

In Collision It is Shattered from the Frame by Heavy Diner in Front

Odesa, Minn., Dec. 18.—Twelve are dead and nearly a score more or less seriously injured as the result of a silk train on the Chicago, Milwaukee & St. Paul railroad, which was running as section No. 2 of the "Columbian flyer," crashed into the rear sleeper of the flyer at the station here early today. The engine of the silk special ploughed for five into the sleeper, but the greater loss of life was in the front end of the sleeper, which was telescoped by the dining car just ahead.

Although both the diner and sleeper were of steel, the former sheared the upper portion of the sleeper from the floor as if it had been cardboard. In some manner the diner's floor became elevated slightly above that of the sleeper at the impact, and with the force of section No. 2's engine behind, the sleeper was jammed along for fully 25 feet, while the diner, as a gigantic knife, cut away the upper structure and did its work of destruction.

"I had been troubled with constipation for two years and tried all of the best physicians in Bristol, Tenn., and they could do nothing for me," writes Thos. E. Williams, Middleboro, Ky. "Two packages of Chamberlain's Stomach and Liver Tablets cured me." For sale by all dealers.

PREDICT WAR WITH RUSSIA

Senator Heyburn of Idaho and Gov. Mann of Virginia Think It Likely

Philadelph., Pa., Dec. 19.—That the action of the United States in abrogation the Russian treaty of 1892 today may precipitate a war with that country, was declared by both United States Senator Heyburn of Idaho, and Governor Mann of Virginia, in speeches at the annual dinner of the New Jersey society of Pennsylvania here tonight.

Senator Heyburn said that where the cause was just he stood ready to follow the American passport into any foreign land with "our constitution, our flag and a cannon." He declared, however, that no person should be permitted to enter this country and be naturalized for the purpose of making use of a passport abroad.

Governor Mann expressed his belief that the signs of the times point to a struggle with Russia in the near future and he stirred the audience by announcing that if such conditions ever came to pass he himself would be ready and willing to go out at the head of a regiment of Virginia soldiers.

"Whether it be President Taft or some other president, perhaps a son of New Jersey," said Governor Mann, "his call will be responded to by Virginia, and I can state every state in the south. If necessary I will go to the front and will also send my son. I say this merely to show the patriotism of the South and to prove that sectionalism is a thing of the dead past."

Pay Your Preacher.

The first and last test of a church member is his willingness to pay his pastor. The member who will not pay in proportion to his ability is a fraud, and the sooner his name is removed from the church book the better it is for the church. All the talk a man can do about religion and his love for the church is killed the first time he refuses to dig down into his pockets and help pay his preacher. Pay your preacher—or quit your false pretenses and get out.—Lexington Progress.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Fawcett's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful, it acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. BROUGHT TO LIGHT

Earlington People Receiving the Full Benefit.

There have been many cases like the following in Earlington. Every one relates the experience of people we know. These plain, straightforward statements will do much toward relieving the suffering of thousands. Such testimony will be read with interest by many people. Mr. R. A. Smith, Wilson, St., Earlington, Ky., says: "I am glad to publicly recommend Doan's Kidney Pills. My kidneys were badly disordered and the ache in my back was so acute that I could not stoop without suffering severely. The pain often extended into my sides and became more acute if I stood on my feet to grasp something in order to steady myself. Also suffering from terrible headaches and many days could scarcely get out of bed. I can safely say that I spent more than one hundred dollars for medicine and doctors treatments but obtained scarcely any benefit. On the advice of a friend, I procured a box of Doan's Kidney Pills at the St. Bernard Drug Store and began their use. This remedy cured me in less than two weeks. I am glad to recommend it to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Wine Fight For Life

It was a long and bloody battle for life that was waged by James B. Mereson, of Newark, N. J., of which he writes: "I had lost much blood from lung hemorrhages, and was very weak and rundown. For eight months I was unable to work. Death seemed close at my heels, when I began, three weeks ago, to use Dr. King's New Discovery. But it has helped me greatly. It is doing all that you claim." For weak, sore lungs, obstinate coughs, stubborn colds, hoarseness, la grippe, asthma, hay-fever or any throat or lung trouble is supreme. 50c & \$1.00. Trial bottle free. When you feel dull, out of sorts, discouraged, half sick and everything seems to be going wrong, you can blame it on your liver. It is torpid. You need

HERBINE

A Medicine of Power in All Liver Disorders.

When the liver is torpid, it throws impurities into the system, which hamper every organ in the body. The result is that functional processes are not properly carried on. Impurities get into the blood, the stomach is bilious, the kidneys weak and the bowels irregular—generally constipated. Herbine clears out all these impurities, opens up the obstructed channels, strengthens the torpid liver, cleanses the blood, purifies and regulates the bowels. After the system has been thus overhauled, there is an immediate improvement. Appetite returns, digestion is good, the spirits rise, the mind clears of gloomy forebodings and everything looks bright and cheerful, which means, sound, healthy conditions everywhere in the body.

Price 50c per Bottle.

Rector's, of New York, is running page ads in large dailies all over the United States.

Advertising DOES NOT PAY UNLESS you put time and thought in it or get someone to do it for you. You know a stove will not cook anything unless there is a hot fire in it, and it is the same way with advertising; it must be ably with reminders of what people need and want. \$30 is the smallest price ad you can put in the Saturday Evening Post and thousands of people spend that every week for advertising—so it pays. Some companies spend six thousand dollars a week for advertising—surely it pays and pays well.

A Severe Sickness Leaves The Kidney's Weak

After recovering from a severe spell of sickness some time ago, I was all run down and suffering from poor blood. I would have pains in my back and my hips and my kidneys bothered me all the time. I started taking Swamp-Root upon the recommendation of a friend and found it was just what I needed. My blood became all right and after taking a few bottles, I was surprised at the effect it had on my kidneys. They were entirely cured and I have much to be thankful for that your great remedy did for me.

Yours very truly
